

# Paper Plate cars

## What you need:

- Half a paper plate or card
- Black paper
- White paper
- Tissue paper
- Glue
- Or flour and water paste
- Scissors
- Crayons or pens

## How to Make it:

- Cover your work surface and have some glue ready
- To make flour and water paste add 1 part flour to one part water and mix ( you can use an egg cup to measure)
- Cut your plate in half, you can cut from an old cereal box
- Paste your half paper plate in glue
- Stick your choice of tissue or scrap paper on the plate
- Cut out some wheels and windows
- Stick them onto the plate
