Let off some steam

There's no better place to bring your gang for a day out of the ordinary.

You see, the marvellous thing about our park is it's got a bit of everything – oodles of green space, lots of colourful hold-onto-your-hat rides, a spectacularly spruced up lake; wonderful nature trails, a whizzy zip wire and free playgrounds too.

What's more, The Astroslide is now back with the addition of an amazing daring Dropslide*, plus new Tree Top Walk.

It's a place for adventure – so get to it!

You can do it!

It all goes back to Charles Wicksteed, the fellow who set up this terrific park back in 1913.

He wanted to create a place where both children and adults could get out and have a bit of fun. A place where children were shown what they could do, instead of being told what they couldn't do.

Things have moved on a bit, but today, that (mostly) stands.

So, in our parklands, let your pupils run, kick a ball, build a den or just chill. And on our rides – let them scream, whoop and squeal. What the heck, you can join in too!

*See ride restrictions

Our carousel isn't the only thing to go round

We're a not-for-profit organisation. So any money you spend goes back into the park.

After keeping it spick and span, any pennies leftover are invested to make our park an even better place. Isn't that terrific?

We recently fixed up our lake to its former glory. Take a gander from our old gauge train or try out our new ferry boat. Just flash your wristbands and clamber aboard.

Whatever we do, we're hell bent on creating an adventurous and fun space, where children can engage with their family, friends and nature.

Just think what we could achieve if even more groups like yourselves pay us a visit. Please spread the word!

High jinks with a dash of wisdom

While you're out and about, why not mix up your day with a splash of something different?

Learn out about our very own Charles Wicksteed and the park's unique heritage. You can also find out about the history of play or take part in a team building challenge. Let us know what takes your fancy and we'll try our best to help you out.

If you'd like to chat through some options, give our Education Team a call or email education@wicksteedpark.org

A mighty fine deal

Here's what you'll get when you make a booking for 20 or more people:

Discounted wristbands

Allowing the wearer unlimited enjoyment on 30 rides/activities (indeed, height restrictions do apply). Unlike many attractions, if someone's unable to make it, we'll refund the cost of their wristband – or sell you more at the discounted price on the day.

Or bulk buy tickets

Spend £200 or more on tickets and get a whopping 20% off. Tickets come in sheets and can be shared out, most rides take 1 - 3 per person. They're valid until the end of ride season, so you can come back to use spare ones on another day.

Free all-day coach parking

On top of that, we'll even throw in a free wristband for your driver. If you're coming by mini bus there's a small parking fee (for frequent visitors, it might be worth getting an annual parking pass for £32.50).

Oodles of free play space

Everywhere is a play area at Wicksteed Park. Enjoy our vast open spaces, a 24 acre lake, a new nature play area, nature walks and our beloved arboretum.

Refresh and recharge

Get yourselves to our Carousel Café and Oaktree for drinks, snacks or lunch. To make your day go even smoother, you can pre-order ice creams and pay for them in advance.

£15 per wristband for booking of 20 or more

That's £4 off the usual price for children, and £1 for adults.

£14 per wristband for booking of 100 or more

That's £5 off the usual price for children, and £2 for adults.

Get 20% off when you spend £200 or more on ride tickets

You can make it? That's fantastic!

We just need a few important bits and pieces so we can get everything ready for your visit.

Nearly done, but please read this important bit before signing the form.

Wristbands – your ticket to ride

School rates only apply when you're in school, so that's Monday to Friday during term time.

Wristbands allow the wearer unlimited rides for the day EXCLUDING RUSH AND WICKYS PLAY FACTORY.

So you don't lose them, our wristbands are given to the group organiser to ensure they are fastened securely around people's wrists – we don't want them slipping off. It's one each, so no swapping! And make sure each group member using the rides is wearing their own wristband. If you are unsure or need help, just ask at our Visitor Centre and we'll sort it!

Wristbands at the ready

If you can't wait until the day for your wristbands, send us your full payment with £3.50 to cover postage at least 2 weeks prior to your visit. Once payment has been received we will then send out the wristbands via recorded delivery. Wristbands for collection on the day of your visit will be ready for you in our Visitor Centre. The office is quite snug, so it's best to send in one or two members of your party to collect the wristbands.

If on the day you find yourself with too many or too few wristbands, we'll refund your unused wristbands or sell you some more for £10 each. Just remember to hand in the unused wristbands at the start of the day.

Just the ticket...

We also sell sheets of tickets. Tickets can be shared out and don't worry if you don't use them all – you can save them for your next visit. (Rides mainly require between 1 and 3 tickets per person per ride).

You can buy sheets of tickets on the day. And if you are feeling flush and fancy a bargain, we offer a 20% discount for bulk ticket purchases of £200 or more in a one transaction from our Visitor Centre.

Gift bags

Pre-ordered gift bags can be collected from our gift shop at any time during your visit. If you want to know more about their contents, please give us a call.

How to pay

Please help us keep things simple by choosing one of the following:

- Cheque 2 weeks in advance – Cheques are to be made payable to Wicksteed Park Ltd. Cheques are not accepted as payment on the day of your visit.
- Credit/debit cards - Payment with cards can either be taken in person at our Visitor Centre or over the telephone on 01536 512475.
- BACS – Payment must be received before the day of visit. Details of our bank account will be on your invoice.
- Cash on the day – Can only be taken in person at our Visitor Centre.

Parking

Coaches: park free of charge and your drivers will receive a free wristband!

Minibuses and Cars: There is a daily parking charge for these but we've kept them as low as possible and all the cash goes towards improving the park (please check our website for prices). Don't forget that if your school regularly comes to the park you may wish to consider purchasing a Car Parking Season Ticket for your minibus, they are only £32.50. Please drop by at our Visitor Centre for more information.

Risk Assessments

Don't worry, you are in safe hands! We are a Category C Approved Centre and our risk assessment can be found online at: www.wicksteedpark.org/school-visits

You are very welcome to come along and complete your own risk assessment, just give us a call beforehand.
